TENNIS in the PARKS, a program presented by the Long Island Foundation for Education and Sports and Suffolk County Parks, offers all children the opportunity to play on teams in a league that emphasizes the **3 “F’s” - fun, friends and fitness.**

Teams are organized to match children’s age and ability, ages 4 – 16 and for those who never picked up a racquet to those who are on a school team and want to play matches. Their staff is trained by the United States Tennis Association Coaches and has the experience to provide a quality education for your child.

Sessions are one hour of tennis each week for six consecutive weeks and run from May – September at all three locations. Cost: \$65 per student per session. Requirements for the program are sneakers, water bottle, tennis racquet and a smile!

To register or for more information on specific sessions please visit www.liffes.org or call (631) **642-8081** or email register@liffes.org.
